

Week Beginning 13/07/20

Hello LR1! It is Miss Abbott here, **I hope you are all happy and well.** We are in our last week of home learning before the Summer holidays. This week we are going to be thinking about the changes coming up. Lots of St Philip's children have been working from home, some have been in school a bit and some have been in school a lot!

With all of these different things happening, I wanted you to have some time to think about September – when all of the children are back in school, all of the time.

PSHE – Talking time

-Read the eBook <https://www.twinkl.co.uk/resource/in-it-together-ebook-au-l-2548869> (or the PDF- link below the eBook) with a member of your family.

-Talk to your household about how you are feeling about going back to school in September.

As school starts, Oskar feels worried because it seems a bit strange.

Priya feels sad because she has to leave Alix.

Jasmine feels happy because she gets to see her teacher again.

Matthew feels excited because all of his friends are back at school.

PSHE – Reflecting on your school year

-Use the worksheet 'School year memory write up', talk to your household about your memories of this year in school <https://www.twinkl.co.uk/resource/t-c-780-school-year-memory-write-up>

-This school year has also included time learning at home. Use the worksheet 'What I did during lockdown' to think about your achievements and activities in this time.

English- PSHE and Transition:

I know your teachers are really looking forward to having you all back together in September! Coming back to school together will be a change for all of us...

-Use the 'Five exciting things and worries about starting back at school' to explore your changes.

September will be an exciting time to try new things and work to achieve our best!

-Use the 'Up, up and away' balloon sheet to write down 5 things to want to do next year.

feelings about these

<https://www.twinkl.co.uk/resource/up-and-away-transition-day-aspirations-balloon-activity-sheet-t-tp-7145>

PE and Wellbeing:

-Have a go at some relaxing yoga

<https://www.youtube.com/watch?v=laDRCHhSTxM>

<https://www.youtube.com/watch?v=KMY2pMsLijw>

-Or if you prefer something more fast paced ...

<https://www.youtube.com/watch?v=388Q44ReOWE>

Continue to use the speech packs Mrs Rudge sent home with you to keep up to date with your speech work.

Other useful sites for games and learning activities:

- <https://numbots.com/> for additional online maths games
- www.twinkl.co.uk for printable activities and teaching resources
- www.oxfordowl.co.uk for online books and curriculum linked activities
 - www.phonicsplay.co.uk
- www.ictgames.com OR www.topmarks.co.uk for curriculum linked games.
