National Curriculum Aims:
- All pupils are responsible, competent, confident and creative users of information and communication technology.

National Curriculum Aims Key Stage 1:
- **Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies**

National Curriculum Aims Key Stage 2:
- **Understand the opportunities [networks] offer for communication and collaboration**
- **Be discerning in evaluating digital content**
- **Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact**

For this strand of the curriculum, ProjectEVOLVE is to be used and the progression statements found there for each topic area.

ProjectEVOLVE https://projectevolve.co.uk/toolkit/			
Online relationships	Online bullying	Managing online information	Privacy and security
Copyright and ownership	Online reputation	Health, well-being and lifestyle (covered in PSHE)	Self-image and identity (covered in PSHE)
