

## Whole School Curriculum Intent

Our intent is to create active learners who can reflect, question, wonder, think, connect, be self-aware and be resilient. We intend to provide opportunities for our children to build knowledge, make meaning and apply understanding across a range of learning experiences. As an increasingly diverse school, the promotion of acceptance and inclusion underpins our curriculum, whilst maintaining our strong Christian values and ethos.

## Subject Intent

Here at St Philip's CE Primary school we recognise the values that a high quality PE and school sport curriculum can offer to pupils.

All pupils are entitled to benefit from high quality PE provision and there is significant evidence to show that this supports other learning, throughout the curriculum. It can also contribute to a healthy and active lifestyle, improve emotional well-being and develop key skills such as leadership, confidence, social and team building skills. We encourage all our pupils to follow our school games values which also links into our school's ethos and 12 core Christian values.

Our PE curriculum aims to ensure that all pupils develop the fundamental skills and competence to excel in a wide range of physical activities by providing a broad & balanced curriculum with opportunities for all. We encourage all our pupils to be active and engaged in our PE sessions to enable them to get the most out of their lessons and to inspire them to reach their potential.

Our high quality PE curriculum develops physical literacy, allowing pupils to learn about: themselves, the importance of a healthy lifestyle and self-expression whilst acknowledging our school games concepts such as; fair play, respect, determination and teamwork. This contributes to the development of a range of important cognitive skills such as decision making and analysis, and social skills such as teamwork and communication.

## National Curriculum Aims

### PHYSICAL EDUCATION

The national curriculum for physical education aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives
