Go to <https://www.visitsalford.info/> for more events and activities in Salford and around the area all year round.

The purpose of this leaflet is to help provide you with some simple on hand information to finding out where you can participate in sports in and around the area of Salford.

Here at St Philip's we aim to provide all our students with the opportunity to try a variety of sports and activities. Many of these may be less traditional sports which maybe hard to participate in the community. For this reason it is important that our students get to try some of these sports and activities.

With this in mind many of the links and websites provided are for more traditional sports and activities.
