School Principles for PE and Sport Premium Grant Spend

We provide a broad and balanced PE curriculum ensuring that teaching and learning opportunities in PE are high quality, meeting the needs of all the pupils so they may achieve their potential. Using the national curriculum we provide students with a wide range of activities and opportunities.

Sport premium funding enables us to continue part fund an HLTA post to take the PE lead in school. We believe this to have a number of benefits for our school, and in particular having a positive and sustainable impact on our school sport.
