

Hi,

We know that many households are feeling the financial impact of the escalating cost of living. In response to this, we're launching a new Community Grocery in Manchester that will keep families fed and allow people to access support too.

We provide a great selection of healthy branded items that you'd expect to find at your local supermarket but for a fraction of the price. We're run on a membership basis designed to help anyone who needs to bring down the cost of their food shop by offering a full selection of groceries from just £5 per shop. We've even price matched a few of our standard shops against high street supermarkets and found that our members can save on average £20 each visit.

We know choosing the items you like for your family is really important and so we have thousands of products to select from each week with new lines added each day.

Example of a £5 small shop

Our members not only get to save on their food shop but they also get to play their part in helping to protect the environment. Lots of the items in our grocery are classed as 'surplus' meaning they would have normally ended up going into landfill. The food is all great, and there are many reasons why it's made available to us. It may be there are packaging mistakes, errors with ordering or that the food that ends up too close to its 'best before' date for them to sell.

As we are reliant on what's available through our surplus partners we can't guarantee what items we'll have in stock for you on each visit, so you may find that you need to do a top up shop during the week for any key items you're missing. We receive new collections every day and so to be the first to see what goodies we have in stock, make sure you follow your local Community Grocery Facebook or Instagram pages.

And there's more. All of our members will be able to access loads of other benefits like job clubs, money management courses, mental well-being courses, youth clubs, volunteering and much more.

How it works

1. To become a member, just visit our grocery any time whilst we're open (Tuesday, Wednesday, Thursday) and we'll get you signed up straight away and then walk you through your first shop. It's £1 for 1 year's membership and you can visit our grocery five times a week.
2. Each item in the shop has a points value. Our shop sizes range from a small 12-point shop for £5, up to a 30-point XL shop for £12.50. You can choose up to four of each item across our different sections, and if you'd like to go over your points allowance, extra points can be added for 50p each. On your first visit, our team will talk you through how everything works and help count your points at the till.
3. All of our Community Groceries will also be running a variety of free courses and events to get to know our members better and help support them with any specific needs. Once these go live, you can sign up for them in the grocery.

How to find us

Find out which bus routes are near us, and get help planning your journey at:
