

Drop Off and Collection

Drop off and collection times can get very busy. We would like to remind you about procedures in the morning and at the end of the day:

- To support keeping children safe, school staff are stationed at all gates in the morning and at the end of the day. This is an extra layer of security, however:
- School staff do not supervise outside of the school gates, including the TINGA (football/basketball) area over the road from the school playground
- Children should not leave the playground after they have arrived in the morning
- School staff will ensure that pupils are handed over to agreed adults. We will not allow your child to leave with an adult if we do not have permission – if someone else needs to collect your child, please let a member of staff know
- After handing over the child to the adult, they are the adult's responsibility
- Year 5 and 6 pupils can walk home if they have permission from parent/carer (permission forms have been sent home). School staff can not be responsible for these pupils once they have left the playground
- Dogs are not allowed on the playground. Please be mindful about where they are secured because some of our children are very nervous around them.

We appreciate you working with us to keep children safe at all times.
