

# St Philip's bulletin

Week ending 15.9.23

A very warm welcome back! It has been a great first few weeks back. The children have settled well in to school routines, look smart and have made a great start on their learning for the year.

We are hoping to complete a parent bulletin on a regular basis to keep you updated with what has and will be happening in school.

## Device Monitoring and Restrictions

Many children in upper key stage 2 may be enjoying their new-found freedom of walking home by themselves. With this, we know that many parents feel that they may be safer with a phone. In turn, this comes with the challenging task of navigating the online world with a little more independence. In school, we notice a huge increase in the number of online incidents having a negative impact on children's lives, both in and out of school, once they have and use a phone. As always, we urge parents to have open conversations with their children about being online but also to monitor their activity rigorously. Whether your child uses Apple, Android, or other devices, it's important to consider the parental controls and settings available

### Lunches

We are teaching the children the importance of a healthy and varied diet. Please ensure your child has a lunch that will fuel them for the afternoon. We ask there are no nuts, fizzy drinks or chocolate in their packed lunches.

### Upcoming events

We have sent out a yearly overview of events we have for the full year. Please remember these are subject to change but we will keep you informed.

Remember to update your personal information at the office.

## Curriculum Fair-

# Thursday 21<sup>st</sup> September- 2:30-3:15

### P.E days

All children should be in the correct P.E. If they are not you may receive a phone call to bring in the correct kit or they will be given one of our spares.

Nursery- Monday/Friday	Year 3- Tuesday/Thursday
Reception- Wednesday/Friday	Year 4- Tuesday/Thursday
Year 1- Monday/Wednesday	Year 5- Monday/Wednesday
Year 2- Tuesday/Wednesday	Year 6- Monday/Friday
