

GROW WITH US!

We're looking for passionate volunteers to help us grow our community gardens!

What you'll be doing:

Watering, weeding, planting, and harvesting

Taking part in fun building and garden projects

Why volunteer?

- * Meet new people
- * Learn about plants and growing your own food
- * Gain new skills and hands-on experience
- * Support your local community

No experience needed – just enthusiasm!
All tools and equipment provided
