Dear Parents / Carers,

Next week, St Philip's will be participating in a local History trail and art project with Historic England, Islington Mill and a local tour guide. This will be an exciting opportunity for the children to learn more about the history of the local area and express their learning through art.

St Philip's would like to invite all parents / carers to view the artwork that is created throughout the week on Friday 19th May. Doors to the hall will be open from 2:45pm for viewing.

On the day your child will be going on the History trail, please ensure they wear comfortable footwear. The day your child is completing the artwork please ensure they wear an old, baggy t-shirt you don't mind getting messy and stained. **Note: Some PE days have changed only for next week, see in red.** Please see the timetable below:
