

Due to the hot weather, we are making some changes to tomorrow:

Classrooms will be open from 8:30 am.

In the afternoon, we are starting the plan earlier by 15 minutes:

Early Years	1:00 - 1:15
KS1	1:15 - 1:30
KS2	1:30 - 1:45

Parents can take their children home when races are complete. Early Years can be collected from classrooms. Other parents should come through the office into the hall where some 'runners' will collect pupils.

Thank you for your understanding. We do want to offer an event for parents to watch but are mindful of everyone's safety!

Please keep an eye on messages in case we need to make any further changes.
