Rector: Revd. G Robinson | Chair of Governors: Rachel Lapington

Tuesday, 16th November

Dear Parents/Carers,

Year 6 Bubble

Due to there being a high number of cases in Year 6 and the level of contact your child may have had, **this class will now be a bubble** which will end on Friday 26th November (unless otherwise stated).

This now means that the following will be implemented:

MORNING ROUTINE:

8:30am onwards – your child will need to wait on the TINGA with a member of school staff. **They must not go onto the main playground.**

8:50am – your child will be taken to class by a member of staff after the other children have gone into their classrooms.

DURING THE DAY:

- Your child will now have breaktimes at a different time to the rest of school.
- Lunchtimes will be in their classroom and playtimes will be separate in specific zones away from other children.

END OF THE DAY:

3:05-3:10pm – your child will leave the classroom onto the playground where they can be collected after the other children or they will be sent home (if they have permission to go home on their own).

OTHER INFORMATION:

- Your child will attend assemblies and whole school worship online and not in the hall.
- Specific staff will be with your child throughout this time and will not mix with other staff.
- Windows will be kept open and the children will have access to their own toilets. Staff will wear face coverings as required. There will not be any visitors in the classroom. Parents Evening will be remote as already stated.
- The children will still be able to come in non-uniform on Friday 19th and they will still be doing PE but this will be outside. Please make sure that they come ready for the weather!

Please continue to monitor your child's symptoms and get a PCR test in the event of them showing signs. We would encourage you to use LFTs with your child at least every other day and **preferably daily** whilst they are in the bubble. If in doubt, please contact us here at school and if they are poorly, you must keep your child at home and contact school.

Yours sincerely,

Miss Kinch
