Headteacher: Miss J Kinch | Deputy headteacher: Ms B Jackson
Rector: Revd. G Robinson | Chair of Governors: Rachel Lappington

Friday, 19th November

Dear Parents/Carers,

Year 3 Bubble

Due to there being a higher number of cases in Year 3 and the level of contact your child may have had, **this class will now be a bubble** which will end on Tuesday 30th November (unless otherwise stated).

This now means that the following will be implemented:

MORNING ROUTINE:

8:30am onwards – your child will need to wait on the PEACE GARDEN. The gates to this are next to the school house on the side street. **They must not go onto the main playground. Staff will be on hand on James Street to guide you to the right place.**

8:45am – your child will be taken to class by a member of staff directly from the Peace Garden into the classroom.

DURING THE DAY:

- Your child will now have breaktimes at a different time to the rest of school.
- Lunchtimes will be in their classroom and playtimes will be separate in specific zones away from other children.

END OF THE DAY:

3:05pm – your child will leave the classroom onto the Peace Garden. Please collect siblings first and then walk round to the Peace Garden gates where the children will be dismissed from the classroom.

OTHER INFORMATION:

- Your child will attend assemblies and whole school worship online and not in the hall.
- Specific staff will be with your child throughout this time and will not mix with other staff.
- Windows will be kept open and the children will have access to their own toilets. Staff will wear face coverings as required. There will not be any visitors in the classroom. Parents Evening will be remote as already stated.
- The children will still be able to come in non-uniform on Friday 19th and they will still be doing PE but this will be outside. Please make sure that they come ready for the weather!
- Morning group sessions will continue with Mrs Morris. Your child will enter the classroom through the gate on the side street into the Peace Garden.

Please continue to monitor your child's symptoms and get a PCR test in the event of them showing signs. We would encourage you to use LFTs with your child at least every other day and **preferably daily** whilst they are in the bubble. If in doubt, please contact us here at school and if they are poorly, you must keep your child at home and contact school.

Yours sincerely,

Miss Kinch
