Dear Parents/Carers,

### Year 5 Bubble

Due to there being a higher number of cases in Year 1 and the level of contact your child may have had, **this class will now be a bubble** which will end on Friday 3<sup>rd</sup> December (unless otherwise stated).

This now means that the following will be implemented:

#### **MORNING ROUTINE:**

**8:30am onwards** – your child will need to enter school via the James Street entrance – this will be only used by Year 5.

**8:45am** – your child will be collected at the side gate and they will walk round to their classroom door in the Peace Garden.

#### **DURING THE DAY:**

- Your child will now have breaktimes at a different time to the rest of school.
- Lunchtimes will be in their classroom and playtimes will be separate in specific zones away from other children.

#### **END OF THE DAY:**

**3:00pm** – your child will leave the classroom through the same door as the morning. Please collect them via the James Street gate. The teachers will bring the children out to you.

#### **OTHER INFORMATION:**

- Your child will attend assemblies and whole school worship online and not in the hall.
- Specific staff will be with your child throughout this time and will not mix with other staff.
- Windows will be kept open and the children will have access to their own toilets. Staff will wear face coverings as required. There will not be any visitors in the classroom. Parents Evening will be remote as already stated.
- The children will attend the church Advent Service online.

Please continue to monitor your child's symptoms and get a PCR test in the event of them showing signs. We would encourage you to use LFTs with your child at least every other day and **preferably daily** whilst they are in the bubble. If in doubt, please contact us here at school and if they are poorly, you must keep your child at home and contact school.

Yours sincerely,

Miss Kinch
