

## **After-school Care Provision**

---

My name is Sarah and I will be running after school provision at St Philip's. This is a service that I am offering and is not managed by the school, however I will be using the school's premises. The sessions will start as soon as the places are filled.

Places are limited to 8 children maximum on a first come first served basis (no advanced bookings).

The cost is £15 per child/per whole session

Sessions times are from 3:15 to 5:30

Payments must be made a month upfront on the 1st of every month.

This is unfortunately non refundable due to a child/children being absent.

If payments are not met on the required date the child/children will NOT be allowed to attend the after school care.

Food/beverages will be supplied for all.

For an application form, please email [sarhafterschoolcare@gmail.com](mailto:sarhafterschoolcare@gmail.com)
