Dear parents/guardians,

We are excited to announce we are holding our first ever **curriculum fair**, suitable for all parents on **Thursday 21st September** from **2:30-3:15pm**.

During the fair, you can walk around the different stalls to view and discuss each subject your child participates in. There will be an overview of the curriculum, our progression documents and examples the children's work to show you the high expectations we have for the children.

You will gain a better understanding of what and how your child learns in school, alongside helpful tips to support their learning at home.

As always, we look forward to seeing you there.

Miss Davis
