Dear Parents/Carers,

IMPORTANT INFORMATION

Do not send your child into school if you, or any member of your household, have been for a Covid-19 test and are awaiting the results. Please inform school if this is the case.

If you, or any member of your household are displaying symptoms, **please do not send your child into school** and contact us.

It is vital that we keep all our children, staff and families safe and well at this time and reduce the transmission of the virus.

Can I also remind parents that we are requesting that you wear face coverings when entering the school site – even in the playground.

We appreciate all the support that you have shown to us as a school community and know that we can rely on you to keep everyone safe and well at this time.

Yours sincerely,

Julia Kinch
Headteacher
