

A large, colorful illustration of a smiling tooth character with eyes, a nose, and a wide-open mouth. The tooth is surrounded by several children of various ethnicities and ages, some holding toothbrushes and tubes of toothpaste. The background is a light blue and white gradient.

We are Accepting New NHS patients under 12 years old.

Welcoming all Children
to join our practice.
Pop in or ring the practice direct
to book your child in
for an oral health examination.
