Sunday, 14<sup>th</sup> March, 2021

Dear Parents and Carers,

I would like to take the opportunity to thank you for your support of school opening to all our children last week. It was a real pleasure to welcome everyone back to school and to see the joy on the children's faces to be back in school with their friends and teachers. As a school staff, we were thrilled to be back together as a school community and your words of encouragement were really lovely to receive – thank you!

We just want to remind you that we ask that you follow our guidelines on the wearing of face coverings. This is an important part of our risk assessment and systems to reduce the risk of transmission. Our staff will continue to challenge this at the gates as part of our routine reminders and we ask you to respect this. If you are not wearing a face covering, staff can take your child to class or bring your child to you at the gates unless we are aware of your individual needs. If you wish to discuss this regarding your own personal circumstances, please come and speak to myself or Ms Jackson.

Our school risk assessment is updated fortnightly to reflect any changes to the guidance. We then ensure that the most recent assessment is uploaded onto the school website so that you are aware of all the systems and procedures that are in place in school.

If you have any questions, please do not hesitate to contact me via phone or via the school email addresses. Please also go to the school website to get all the up-to-date information and risk assessment: [COVID -19: Parent Information and updates \(stphilipssalford.co.uk\)](http://stphilipssalford.co.uk)

**A REMINDER:** KidsAdventures at The Angel will be opening their Before and After School Care for our families from after Easter – Monday 19<sup>th</sup> April. We have sent out links to the website, information on childcare vouchers and are also on hand at the school gates to answer any questions that you may have about this provision. We have been liaising closely with the team at The Angel to ensure that the provision is available for the working day including an early start for Breakfast Club (7:45am) and for the After School Provision to finish at 6:00pm. This was in response to the parent feedback we received last year. If you are interested, please register your interest on the website – a link is available on our website: [The School Day | St Philip's CE Primary School \(stphilipssalford.co.uk\)](http://stphilipssalford.co.uk)

Once again, thank you for your understanding throughout this time and for your continued support in this constantly changing situation.

Yours sincerely,

Miss Kinch  
**Headteacher**
