Dear Year 4 Parents and Carers,

We are writing to inform you that we received information from the swimming baths yesterday that school swimming lessons **will be continuing** during this time.

The swimming pool **will not be open to any other groups** other than schools and this will be one school at a time, with strict cleaning in between. This will mean that schools will not come into contact with each other to maximise the safety of all. The staffing on site will be limited to swimming teachers and a small number of the site team.

The children will need to come ready for swimming tomorrow morning.

If you have any questions, please do not hesitate to contact us here at school.

Yours sincerely,
